

**REMARKS**

The present application is a divisional of Serial No. 09/463,158.

The specification has been amended corresponding to the amendments presented during prosecution of the parent application.

A Sequence Listing has been inserted in the application. The substitute Sequence Listing corresponds to that presented in the parent application and contains new matter. There is a computer readable version of the Sequence Listing enclosed. The paper and computer readable versions are identical.

Lastly, the original claims have been amended to remove the multiple dependencies in order to reduce the PTO filing fee and eliminate improper multiple dependencies. In addition, the use claims have been cancelled without prejudice.

Favorable action on the merits is solicited.

Respectfully submitted,

Arpi MATOSSIAN-ROGERS
